Notes:

1. This qualifies as an "Activity and Experiential" course (see *Undergraduate Bulletin*). Up to three credits may count toward graduation, but the credits do not count toward the Music major. May be waived with permission of the Director of Undergraduate Learning.
2. Required, but the credits do not count toward the major. Will satisfy the Fine Arts requirement for non-Music majors, but will not satisfy the Fine Arts requirement for Music majors.
3. This qualifies as an "Activity and Experiential" course (see *Undergraduate Bulletin*). Up to three credits may count toward graduation, but the credits do not count toward the Music major.
4. In order to graduate with a concentration in performance, students must demonstrate proficiency in ear-training. May be fulfilled through successful completion of *Musicianship I, II, and III*. Those students who demonstrate sufficient skill levels in a proficiency exam (to be administered every fall semester) may be waived from one or more of these courses, with permission of the DUL.
